FOR IMMEDIATE RELEASE

Bridge Resurfacing on Interstate 15 in Barstow

Barstow – Caltrans will start a project to resurface four bridges on Interstate 15 beginning Monday, May 22, 2006. This project is separate from the ongoing Barstow I-15 paving project, which includes bridge deck re-paving. The following bridges will be resurfaced and will require lane closures for the work. The lane closures will alternate between north and southbound I-15.

Lenwood Road and "H" Street bridges: One of three lanes will close from May 22 to July 5, 2006, Monday through Friday from 10:00 p.m. to 7:00 a.m. The southbound on-ramp and the northbound off-ramp at Lenwood Road to the Barstow Outlet Mall will be closed intermittently during the work. **For easy access to the Barstow Outlet Mall, please use Outlet Center Drive before Lenwood Rd. from north or southbound I-15.**

Alvord Mountain Road and Field Road bridges: One of two lanes will close from May 22 to July 5, 2006, Monday through Thursday from 8:00 a.m. to 5:00 p.m. For a detour, please use off-ramps before or after the closed ramps.

Motorists are advised to plan ahead and add a few minutes to their trip. Delays are expected to be minimal. For more information on other roadwork, please go to our website at www.dot.ca.gov/dist8 and go to "Press Releases". You may also call our Public Affairs office at (888) 383-4631.
